## ABOUT US

Matthews Real Estate is a long established real estate agency with a large office based in Annerley. Matthews has been operating since 1933 - there's not much we don't know when it comes to property.

## SOUTHSIDE LOCALS

As we are an independent agency, we are not limited to a set location for our services. We do business wherever our clients need us with the large majority of our properties centred on the south side of Brisbane.

## EXPERIENCE

Trevor Matthews is our Principal and his personal experience spans over 55 years in the business. Trevor is a Registered Valuer, Auctioneer, Real Estate Agent, Body Corporate Manager and Real Estate Institute of Queensland Life Member.

## FAMILY BUSINESS

Matthews Real Estate is operating in our fourth generation of the Matthews family. This legacy means a lot to us, so you can expect that integrity, loyalty and family values will underpin everything we do.
